

# Anti-Bullying Policy of Eugene City Swim Club

## **PURPOSE**

Bullying of any kind is unacceptable at Eugene City Swim Club and will not be tolerated. Bullying is counterproductive to team spirit and can be devastating to a victim. ECSC is committed to providing a safe, caring and friendly environment for all of our members. If bullying does occur, incidents will be dealt with promptly and effectively. Anyone who knows that bullying is happening is expected to tell a coach or board member.

## **Objectives of the Club's Bullying Policy and Action Plan:**

1. To make it clear that the Club will not tolerate bullying in any form.
2. To define bullying and educate all coaches, swimmers, parents and board members of the types of behavior that constitute bullying.
3. To inform all coaches, swimmers and parents that there is a policy and protocol, should any bullying issues arise.
4. To make clear the responsibility of all Club members to report bullying.
5. To spread the word that Eugene City Swim Club takes bullying seriously and that all swimmers and parents can be assured that they will be supported when bullying is reported.

## **WHAT IS BULLYING?**

The USA Swimming Code of Conduct defines bullying in 304.3.7. Bullying is the severe or repeated use by one or more USA Swimming members of oral, written, electronic or other technological expression, image, sound, data or intelligence of any nature (regardless of the method of transmission), or a physical act or gesture, or any combination thereof, directed at any other member that to a reasonably objective person has the effect of:

- i. causing physical or emotional harm to the other member or damage to the other member's property;
- ii. placing the other member in reasonable fear of harm to himself/herself or of damage to his/her property;
- iii. creating a hostile environment for the other member at any USA Swimming activity;
- iv. infringing on the rights of the other member at any USA Swimming activity; or
- v. materially and substantially disrupting the training process or the orderly operation of any USA Swimming activity (which for the purposes of this section shall include, without limitation, practices, workouts and other events of a member club or LSC).

## REPORTING PROCEDURE

An athlete who feels that he or she has been bullied is asked to do one or more of the following things:

- Talk to your parents;
- Talk to a Club Coach, Board Member, or other designated individual;
- Write a letter or email to the Club Coach, Board Member, or other designated individual;

There is no express time limit for initiating a complaint under this procedure, but every effort should be made to bring the complaint to the attention of the appropriate club leadership as soon as possible to stop the bullying behavior as soon as possible and to make sure that memories are fresh and behavior can be accurately recalled.

## HOW WE HANDLE BULLYING

If bullying is occurring during team-related activities, we **STOP BULLYING ON THE SPOT** using the following steps:

1. Intervene immediately. It is ok to get another adult to help.
2. Separate the kids involved.
3. Make sure everyone is safe.
4. Meet any immediate medical or mental health needs.
5. Stay calm. Reassure the kids involved, including bystanders.
6. Model respectful behavior when you intervene.

If bullying is occurring at our club or it is reported to be occurring at our club, we address the bullying by **FINDING OUT WHAT HAPPENED** and **SUPPORTING THE KIDS INVOLVED** using the following approach:

### FINDING OUT WHAT HAPPENED

#### 1. First, we get the facts.

- a. Keep all the involved children separate.
- b. Get the story from several sources, both adults and kids, and gather all available information regarding the circumstances under which the incident occurred.
- c. Listen without blaming.
- d. Don't call the act "bullying" while you are trying to understand what happened.

**2. Then, we determine if it's bullying.** There are many behaviors that look like bullying but require different approaches. It is important to determine whether the situation is bullying or something else.

- a. Review the USA Swimming definition of bullying;
- b. To determine if the behavior is bullying or something else, consider the following questions:
  - What is the history between the kids involved?
  - Have there been past conflicts?
  - Has this happened before? Is the child worried it will happen again?
- c. Remember that it may not matter "who started it." Some kids who are bullied may be seen as annoying or provoking, but this does not excuse the bullying behavior.
- d. Once you have determined if the situation is bullying, support all of the kids involved.

## SUPPORTING THE KIDS INVOLVED

### 1. Supporting the kids who are being bullied

- a. Listen and focus on the child. Learn what's been going on and show you want to help. Assure the child that bullying is not their fault.
- b. Work together to resolve the situation and protect the bullied child. The child, parents, and fellow team members and coaches may all have valuable input. It may help to:
  - Ask the child being bullied what can be done to make him or her feel safe. Remember that changes to routine should be minimized. He or she is not at fault and should not be singled out. For example, consider rearranging lane assignments for everyone. If bigger moves are necessary, such as switching practice groups, the child who is bullied should not be forced to change.
  - Develop a game plan. Maintain open communication between the Club and parents. Discuss the steps that will be taken and how bullying will be addressed going forward.
- c. We will be persistent. Bullying may not end overnight. Commit to making it stop and consistently support the bullied child.

### 2. Address Bullying Behavior

- a. Make sure the child who engaged in the bullying behavior understands why his or her behavior is unacceptable. Young people who bully must learn their behavior is wrong and harms others.
- b. Show kids that bullying is taken seriously. Calmly tell the child that bullying will not be tolerated. Model respectful behavior when addressing the problem.
- c. Work with the child to understand some of the reasons he or she bullied. For example:
  - Sometimes children bully to fit in or just to make fun of someone who is different from them. In other words, there may be some insecurity involved.
  - Other times kids act out because something else—issues at home, abuse, stress—is going on in their lives. They also may have been bullied. These kids may be in need of additional support.
- d. Involve the kid who bullied in making amends or repairing the situation. The goal is to help them see how their actions affect others. For example, the child can:
  - Write a letter apologizing to the athlete who was bullied.
  - Clean up, repair, or pay for any property they damaged.
- e. Follow up. After the bullying issue is resolved, continue finding ways to help the child who bullied to understand how what they do affects other people. For example, praise acts of kindness or talk about what it means to be a good teammate.

### 3. Support bystanders who witness bullying. Every day, kids witness bullying. They want to help, but don't know how. Fortunately, there are a few simple, safe ways that athletes can help stop bullying when they see it happening.

- a. Be a friend to the person being bullied;
- b. Tell a trusted adult – your parent, coach, or club board member;
- c. Help the kid being bullied get away from the situation. Create a distraction, focus the attention on something else, or offer a way for the target to get out of the situation. “Let's go, practice is about to start.”
- d. Set a good example by not bullying others.
- e. Don't give the bully an audience. Bullies are encouraged by the attention they get from bystanders. If you do nothing else, just walk away.
